

Park Cities

Sharif & Munir has built many, many homes in the exclusive cities of University Park and Highland Park. The Park Cities are defined in the green area above and are bordered by Northwest Highway at the north, roughly the Oak Lawn area at the south, Central Expressway at the east and roughly the Dallas Tollway at the west. It is in this area where many of Dallas' most powerful and influential citizens reside. Sharif & Munir has built many homes in this area from 3,500 sq. ft. to well over 10,000 sq. ft. The homesites are small compared to Preston Hollow with half acre sites fetching as much as \$ 1.8 Million We can handle all or part of estate acquisition, due-dilligence, architectural design, interior design and construction. Call Grady Yates at 972-788-1234 for current sites suitable to build your estate. Turnkey prices from the \$ 1,000,000's to \$ 15,000,000.
